

## A Million Dreams

**G D/F# Em**  
I close my eyes and I can see  
**C G**

The world that's waiting up for me  
**D/F# C**

That I call my own

**G D/F# Em**  
Through the dark, through the door  
**C G**

Through where no one's been before  
**D/F# C**

But it feels like home

*(pre chorus)*

**D/F# Em D C**  
They can say, they can say it all sounds crazy

**D/F# Em D C**  
They can say, they can say I've lost my mind

**D/F# Em D C**  
I don't care, I don't care, so call me crazy

**D/F# Em D C**  
We can live in a world that we design

**(chorus)**

**G**  
'Cause every night I lie in bed

**D/F#**  
The brightest colors fill my head

**Am G/B C**  
A million dreams are keeping me awake

**G**  
I think of what the world could be

**D/F#**  
A vision of the one I see

**Am G/B C**  
A million dreams is all it's gonna take

**N.C.**  
A million dreams for the world we're gonna make

**G D/F# Em7**  
There's a house we can build  
**C G**

Every room inside is filled  
**D/F# C**

With things from far away  
**G D/F# Em7**

The special things I compile  
**C G**  
Each one there to make you smile

**D/F# C**  
On a rainy day

*(pre chorus)*

**(chorus)**

**[Bridge]**

**Em B G**  
However big, however small  
**A C**

Let me be part of it all

**G G D/F# B**  
Share your dreams with me

**Em B G**  
You may be right, you may be wrong

**A C**  
But say that you'll bring me along

**C G**  
To the world you see

**G Am**  
To the world I close my eyes to see

**D**  
I close my eyes to see

**[Chorus]**

**G**  
Every night I lie in bed

**D/F#**  
The brightest colors fill my head

**Am C**  
A million dreams are keeping me awake

**C**  
A million dreams, a million dreams

**G**  
I think of what the world could be

**D/F#**  
A vision of the one I see

**Am C**  
A million dreams is all it's gonna take

**C G D/F# Em C**  
A million dreams for the world we're gonna make

**[Outro]**

**N.C.**  
For the world we're gonna make
