

I WANNA DANCE WITH SOMEBODY-Whitney Houston

Intro C

C G Am
Clocks strikes upon the hour, and the sun begins to fade,
G Am
still enough time to figure out how to chase my blues away.
F G C F
I've done alright up 'til now, it's the light of day that shows me how,
F C G F G
and when the night falls, loneliness calls.

Chorus x2

C
Oh! I wanna dance with somebody,

I wanna feel the heat with somebody.

Am
Yeah! I wanna dance with somebody,
F Dm (C 2nd time)
with somebody who loves me.

G Am
I've been in love and lost my senses, spinning through the town,
G Am
soon or later the fever ends, and I wind up feeling down.
F G
I need a man who'll take a chance,
C F
on a love that burns hot enough to last.
F C G F G
So when the night falls, my lonely heart calls.

Chorus x2

Am G
Somebody who , somebody who, somebody to love me,
Am G
somebody who , somebody who, to hold me in his arms, oh!
F G
I need a man who'll take a chance,
C F
on a love that burns hot enough to last.
F C G F G
So when the night falls, my lonely heart calls.
