

“Summer Loving”: from Grease (edited)

Boy: Summer loving had me a blast

Girl: Summer loving happened so fast

B: I met a girl crazy for me

G: Met a boy cute as can be

All: Summer days drifting away to oh oh the summer nights

Boys: Tell me more, tell me more

Did you drive very far?

Girls: Tell me more, tell me more

Like does he have a car?

B: She swam by me she got a cramp

G: He ran by me got my suit damp

B: I saved her life she nearly drowned

G: He showed off splashing around

All: Summer sun somethings begun but oh oh the summer nights

B: Tell me more, tell me more

Was it love at first sight?

G: Tell me more, tell me more

Did she put up a fight?

B: Took her bowling in the arcade

G: We went strolling drank lemonade

B: Watched the boats out on the dock

G: We stayed out till 10 o'clock

All: Summer fling don't mean a thing but oh oh the summer nights.

B: Tell me more, tell me more

G: But you don't gotta brag

B: Tell me more, tell me more

G: Cause he sounds like a drag

G: It turned colder that's where it ends

B: So I told her we'd still be friends

G: Then we made our true love vow

B: Wonder what she's doing now

Both: Summer dreams ripped at the seams but oh those summer nights

All: Tell me more, Tell me more

Summer of 69: Bryan Adams

I got my first real six-string
Bought it at the five-and-dime
Played it 'til my fingers bled
Was the summer of sixty-nine

Me and some guys from school
Had a band and we tried real hard
Jimmy quit, Jody got married
I should've known we'd never get far

*Oh, when I look back now
That summer seemed to last forever
And if I had the choice
Yeah, I'd always wanna be there
Those were the best days of my life*

Ain't no use in complainin'
When you've got a job to do
Spent my evenings down at the drive-in
And that's when I met you, yeah

*Standin' on your mama's porch
You told me that you'd wait forever
Oh, and when you held my hand
I knew that it was now or never
Those were the best days of my life*

Oh, yeah
Back in the summer of sixty-nine, oh
Man, we were killin' time, we were young and restless
We needed to unwind
I guess nothin' can last forever, forever, no
Yeah

And now the times are changin'
Look at everything that's come and gone
Sometimes when I play that old six-string
I think about you, wonder what went wrong

Standin' on your mama's porch
You told me that it'd last forever
Oh, and when you held my hand
I knew that it was now or never
Those were the best days of my life
Oh, yeah

Back in the summer of sixty-nine, oh
It was the summer of sixty-nine, oh, yeah
Me and my baby in sixty-nine, oh
It was the summer, the summer, the summer of sixty-nine, yeah

Summer Breeze: Seals and Croft

See the curtains hangin' in the window,
In the evenin' on a Friday night
A little light a-shinin' through the window,
Lets me know everything is alright

**Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind
Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind**

See the paper layin' in the sidewalk,
A little music from the house next door
So I walked on up to the doorstep,
Through the screen and across the floor

**Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind
Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind**

*Sweet days of summer, the jasmine's in bloom
July is dressed up and playing her tune
And I come home from a hard day's work
And you're waiting there, not a care in the world*

See the smile a-waitin' in the kitchen,
Food cookin' and the plates for two
Feel the arms that reach out to hold me,
In the evening when the day is through

**Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind
Summer breeze, makes me feel fine,
Blowing through the jasmine in my mind**

Summertime: George Gershwin

Summertime, and the livin' is easy
Fish are jumpin' and the cotton is high
Oh, your daddy's rich and your ma is good-lookin'
So hush, little baby, don't you cry

One of these mornings you're gonna rise up singing
And you'll spread your wings and you'll take to the sky
But till that morning, there ain't nothin' can harm you
With daddy and mammy standin' by

One of these mornings you're gonna rise up singing
And you'll spread your wings and you'll take to the sky
But till that morning, there ain't nothin' can harm you
With daddy and mammy standin' by

Summertime, and the livin' is easy
Fish are jumpin' and the cotton is high
Oh, your daddy's rich and your ma is good-lookin'
So hush, little baby, don't you cry

Summertime Blues: Eddie Cochran

I'm gonna raise a fuss, I'm gonna raise a holler
About a-workin' all summer just to try to earn a dollar
Every time I call my baby, try to get a date
My boss says, "no dice son, you gotta work late"
Sometimes I wonder what I'm a-gonna do
But there ain't no cure for the summertime blues

Well, my mom and pop told me, "son, you gotta make some money"
If you want to use the car to go ridin' next Sunday
Well, I didn't go to work, told the boss I was sick
"Well, you can't use the car 'cause you didn't work a lick"
Sometimes I wonder what I'm a gonna do
But there ain't no cure for the summertime blues

I'm gonna take two weeks, gonna have a fine vacation
I'm gonna take my problem to the United Nations
Well, I called my congressman and he said "whoa!"
"I'd like to help you son but you're too young to vote"
Sometimes I wonder what I'm a gonna do
But there ain't no cure for the summertime blues

“I’ve had the time of my life”: Dirty Dancing

Now I've had the time of my life
No, I never felt like this before
Yes I swear it's the truth
And I owe it all to you

'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now I've finally found someone to stand by me
We saw the writing on the wall
And we felt this magical fantasy
Now with passion in our eyes
There's no way we could disguise it secretly
So we take each others hand
'Cause we seem to understand the urgency

Just remember
School's the one thing
I can't get enough of
So I'll tell you something
This has been so good

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
Hey teachers

With my body and soul
I learnt much more than you'll ever know
And we'll not let it go
Don't be afraid to lose control, no

Yes, I know what's on your mind when you say
"Stay with me tonight" (stay with me)
And remember
School's the one thing
I can't get enough of
So I'll tell you something
This has been so good

Because I've had the time of my life
No, I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door (never felt this way)
Till I found the truth
And I owe it all to you

Now I've had the time of my life
No, I never felt this way before (never felt this way)
Yes I swear it's the truth
And I owe it all to you

I've had the time of my life
No, I never felt this way before (never felt this way)
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life (I had time of my life)
And I've searched through every open door (you do it to me, baby)
Till I found the truth (you do it to me, baby)

“Something inside so strong”: Labi Siffre

The higher you build your barriers
The taller I become
The further you take my rights away
The faster I will run
You can deny me, you can decide
To turn your face away
No matter 'cause there's

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone, oh no
There's something inside so strong
Oh, something inside so strong

The more you refuse to hear my voice (ooh-weh ooh-weh ooh-weh ooh-weh)
The louder I will sing
You hide behind walls of Jericho (ooh-weh ooh-weh ooh-weh ooh-weh)
Your lies will come tumbling
Deny my place in time, you squander wealth that's mine
My light will shine so brightly it will blind you
Because there's

Something inside so strong, strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone, oh no
There's something inside so strong
Oh, something inside so strong

Brothers and sisters
When they insist we're just not good enough
Well we know better
Just look him in his eyes and say
We're gonna do it anyway
We're gonna do it anyway

There's something inside so strong
And I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone, oh no
There's something inside so strong, oh
Something inside so strong

Brothers and sisters
When they insist we're just not good enough
Well we know better
Just look him in his eyes and say
We're gonna do it anyway
We're gonna do it anyway
We're gonna do it anyway
We're gonna do it anyway
Because there's

Something inside so strong, (something inside so strong)
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone, oh no, oh no
There's something inside so strong
Something inside so strong (oh oh yeah)
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone, oh no, oh no
There's something inside so strong
Oh oh, something inside so strong
Oh oh, something inside so strong
Oh oh, something inside so strong

Greatest Day: Take That

Today this could be
The greatest day of our lives
Before it all ends
Before we run out of time

Stay close to me
Stay close to me
Watch the world come alive tonight
Stay close to me

Tonight this could be
The greatest night of our lives
Let's make a new start
The future is ours to find

Can you see it?
Can you see it in my eyes?
Can you feel it now?
Can you hold it in your arms tonight?
Hold on, hold on
Hold on, hold on (tonight)
Hold on, hold on

Oh, stay close to me (hold on)
Stay close to me
Watch the world come alive tonight
Stay close me

Oh, hold your head high (hold on)
Arms open wide
Yeah, the world starts to come alive
When you stay close to me

Today this could be
The greatest day of our lives
Today this could be
The greatest day of our lives

Oh, and the world comes alive
And the world comes alive
And the world comes alive
Oh, oh, oh
Stay close to me (and the world comes alive) hold on
Stay close to me (and the world comes alive)
Watch the world come alive tonight
Stay close to me (hold on)
Oh

Good Riddance (Time of your Life)

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test and don't ask why
It's not a question, but a lesson learned in time

It's something unpredictable, but in the end it's right
I hope you had the time of your life

So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable, but in the end it's right
I hope you had the time of your life

It's something unpredictable, but in the end it's right
I hope you had the time of your life

It's something unpredictable, but in the end it's right
I hope you had the time of your life

Reach: S Club 7

When the world, leaves you feeling blue
You can count on me, I will be there for you
When it seems, all your hopes and dreams
Are a million miles away, I will re-assure you

We've got to all stick together
Good friends, there for each other
Never ever forget that
I've got you and you've got me, so

Reach up for the stars
Climb every mountain higher
Reach up for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

There's a place waiting just for you (waiting just for you)
Is a special place where your dreams all come true
Fly away (fly away) swim the ocean blue (swim the ocean blue)
Drive that open road, leave the past behind you

Don't stop gotta keep moving
Your hopes, gotta keep building
Never ever forget that
I've got you and you've got me, so

Reach up for the stars
Climb every mountain higher
Reach for the stars
Follow your heart's desire
Reach up for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

Don't believe in all that you've been told
The sky's the limit you can reach your goal
No-one knows just what the future holds
There ain't nothing you can't be
There's a whole world at your feet

I said reach
Climb every mountain (reach)
Reach for the moon (reach)
Follow that rainbow
And your dreams will all come true

Chorus x2

Reach for the stars
Climb every mountain higher
Reach for the stars

“I Love Rock n Roll” Joan Jett

I saw him dancing there by the record machine
I knew he must have been about 17
The beat was going strong, playing my favorite song
And I could tell it wouldn't be long till he was with me
Yeah with me
And I could tell it wouldn't be long till he was with me
Yeah with me

**Singin' I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take some time and dance with me
*OWWW***

He smiled so I got up and asked for his name
but that don't matter he said cuz it's all the same
I said can I take ya home, where we can be alone
And next we're moving on and he was with me
Yeah me
And next we're moving on and he was with me
Yeah me

**Singin' I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take some time and dance with me
I said can I take ya home where we can be alone
Next we're moving on and he was with me
Yeah me
and we'll be moving on and singing that same old song
Yeah with me**

**Singin' I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take some time and dance with me**

“Hall of Fame” The Script

Yeah, you could be the greatest
You can be the best
You can be the King Kong banging on your chest

And the world's gonna know your name
And you'll be on the walls of the hall of fame

You could run the mile
You could walk straight through hell with a smile

You could get the gold
Breaking all the records that thought, never could be broke

You could talk to God, go banging on his door (you can be a champion)
You can throw your hands up (you can be a champion)
You can beat the clock (you can be a champion)
You can move a mountain (you can be a champion)
You can break rocks (you can be a champion)
You can be a master (you can be a champion)

Shallow-Bradley Cooper/Lady Gaga

Tell me somethin', girl
Are you happy in this modern world?
Or do you need more?
Is there somethin' else you're searchin' for?

I'm falling
In all the good times I find myself
Longin' for change
And in the bad times I fear myself

Tell me something, boy
Aren't you tired tryin' to fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?

I'm falling
In all the good times I find myself
Longing for change
And in the bad times I fear myself

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now

In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now

Oh, oh, oh, oh
Whoah!

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now

In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now

Shake it Off-Taylor Swift

I stay out too late, got nothin' in my brain
That's what people say, mmm hmm, that's what people say, mmm hmm
I go on too many dates, but I can't make 'em stay
At least that's what people say mmm mmm, that's what people say mmm mmm
But I keep cruising, can't stop, won't stop moving
It's like I got this music in my mind, sayin' gonna be alright

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

I'll never miss a beat, I'm lightning on my feet
And that's what they don't see mmm mmm, that's what they don't see mmm mmm
I'm dancing on my own (dancing on my own), I'll make the moves up as I go (moves up as I go)

And that's what they don't know mmm mmm, that's what they don't know mmm mmm
But I keep cruising, can't stop, won't stop grooving
It's like I got this music in my mind saying it's gonna be alright
'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
I shake it off, I shake it off
I, I shake it off, I shake it off
I, I shake it off, I shake it off
I, I shake it off, I shake it off
Hey, hey, hey

Just think while you've been getting down and out about the liars and the dirty, dirty cheats in the world

You could have been getting down to this sick beat
My ex-man brought his new girlfriend
She's like "oh my God", but I'm just gonna shake it
And to the fella over there with the hella good hair
Won't you come on over, baby, we can shake, shake, shake, yeah oh
'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate (haters gonna hate me)
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heartbreakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake (the fakers baby)
Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off
I shake it off, I shake it off
I, I shake it off, I shake it off

I Want it That Way-Backstreet Boys

You are my fire
The one desire
Believe when I say
I want it that way
But we are two worlds apart
Can't reach to your heart

When you say
That I want it that way
Tell me why
Ain't nothin' but a heartache

Tell me why
Ain't nothin' but a mistake
Tell me why
I never want to hear you say
I want it that way
Am I your fire?
Your one desire

Yes I know it's too late
But I want it that way
Tell me why
Ain't nothin' but a heartache

Tell me why
Ain't nothin' but a mistake
Tell me why
I never want to hear you say
I want it that way
Now I can see that we've fallen apart
From the way that it used to be Yeah

No matter the distance
I want you to know
That deep down inside of me
You are my fire
The one desire

You are (you are you are you are)
Don't want to hear you say
Ain't nothin' but a heartache
Ain't nothin' but a mistake
(Don't want to hear you say)
I never want to hear you say
I want it that way

Tell me why
Ain't nothin' but a heartache
Tell me why
Ain't nothin' but a mistake
Tell me why
I never want to hear you say
I want it that way

Tell me why
Ain't nothin' but a heartache
Ain't nothin' but a mistake
Tell me why
I never want to hear you say
(Never want to hear you say it)
I want it that way

'Cause I want it that way

School's Out For Summer-Alice Cooper

Well, we got no choice
All the girls and boys
Makin' all that noise
'Cause they found new toys

Well, we can't salute ya
Can't find a flag
If that don't suit ya
That's a drag

School's out for summer
School's out forever
School's been blown to pieces

No more pencils
No more books
No more teacher's dirty looks

Well, we got no class
And we got no principles
And we got no innocence
We can't even think of a word that rhymes

School's out for summer
School's out forever
My school's been blown to pieces

No more pencils
No more books
No more teacher's dirty looks
Out for summer
Out 'til fall
We might not go back at all

School's out forever
School's out for summer
School's out with fever
School's out completely

Rewrite the Stars-Greatest Showman

You know I want you
It's not a secret I try to hide
I know you want me
So don't keep saying our hands are tied
You claim it's not in the cards
Fate is pulling you miles away
And out of reach from me
But you're here in my heart
So who can stop me if I decide
That you're my destiny?
What if we rewrite the stars?
Say you were made to be mine
Nothing could keep us apart
You'd be the one I was meant to find
It's up to you, and it's up to me
No one can say what we get to be
So why don't we rewrite the stars?
Maybe the world could be ours
Tonight
You think it's easy
You think I don't want to run to you
But there are mountains
And there are doors that we can't walk through
I know you're wondering why
Because we're able to be
Just you and me
Within these walls
But when we go outside
You're going to wake up and see that it was hopeless after all
No one can rewrite the stars
How can you say you'll be mine?
Everything keeps us apart
And I'm not the one you were meant to find
It's not up to you
It's not up to me
When everyone tells us what we can be
How can we rewrite the stars?
Say that the world can be ours
Tonight
All I want is to fly with you
All I want is to fall with you
So just give me all of you
It feels impossible (it's not impossible)
Is it impossible?
Say that it's possible
How do we rewrite the stars?
Say you were made to be mine?
Nothing can keep us apart
'Cause you are the one I was meant to find
It's up to you
And it's up to me
No one can say what we get to be
And why don't we rewrite the stars?
Changing the world to be ours
You know I want you

Waterfalls-TLC

A lonely mother gazing out of her window
Staring at a son that she just can't touch
If at any time he's in a jam she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all
'Cause he can't seem to keep his self out of trouble
So, he goes out and he makes his money the best way he know how
Another body laying cold in the gutter
Listen to me

Don't go chasing waterfalls

**Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast**

Little precious has a natural obsession for temptation
But he just can't see
She give him loving that his body can't handle
But all he can say is, "Baby, it's good to me"
One day he goes and takes a glimpse in the mirror
But he doesn't recognize his own face
His health is fading and he doesn't know why
Three letters took him to his final resting place
Y'all don't hear me

Don't go chasing waterfalls

**Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast**

I seen rainbow yesterday
But too many storms have come and gone
Leavin' a trace of not on God-given ray
Is it because my life is ten shades of gray
I pray all ten fade away
Seldom praise Him for the sunny days
And like his promise is true
Only my faith can undo
The many chances I blew
To bring my life to anew
Clear blue and unconditional skies
Have dried the tears from my eyes
No more lonely cries
My only bleedin' hope
Is for the folk who can't cope
Wit such an endurin' pain
That it keeps 'em in the pourin' rain
Who's to blame
For tootin' caine in your own vein
What a shame
You shoot and aim for someone else's brain
You claim the insane
And name this day in time
For fallin' prey to crime
I say the system got you victim to your own mind
Dreams are hopeless aspirations
In hopes of comin' true
Believe in yourself
The rest is up to me and you

Don't go chasing waterfalls

**Please stick to the rivers and the lakes that you're used to
I know that you're gonna have it your way or nothing at all
But I think you're moving too fast**
