Don't know what the day is holding

When I get uptight

E B A E

And I walk right into the path of a lightning bolt

Right through the centre of town and

No one blinks an eye

E B A E

And I look up to the sky in the path of a lightning bolt

[Verse 3]

E B A E

Met her as the angels parted for her

B A E

But she only brought me torture

B A

But that's what happens

E B A E

When it's you who's standing in the path of a lightning bolt

[Chorus]

A Asus4

Everyone I see just wants to walk with gritted teeth

E

But I just stand by and I wait my time

A

They say you gotta toe the line they want the Asus4

water not the wine

E B

But when I see the signs I jump on... that lightning E (riff)

bolt

[Verse 4]

E B A E

Chances, people tell you not to take chances

B A E

When they tell you there aren't any answers

B A E

And I was starting to agree

B A E

But I awoke suddenly in the path of a lightning bolt

E B A E

Fortune, people talking all about fortune

B A E

Do you make it or does it just call you

B A

In the blinking of an eye

E B A E

Just another passer by in the path of a lightning bolt

[Chorus]

A Asus4

Everyone I see just wants to walk with gritted teeth

E

But I just stand by and I wait my time

A

They say you gotta toe the line they want the Asus4

water not the wine

E B

But when I see the signs I jump on... that lightning E (riff)

bolt

E B A E

It was silent, I was lying back gazing skyward

B A E

When the moment got shattered

B A

I remembered what she said

E B A E

And then she fled in the path of a lightning bolt
