

# 4. LONELY BIRD

PAUL PARTINGTON

Smoothly ♩ = 54

There's a bird in a tree looking down at me, how I'd love to read her

mind. She's a bird in a place with a lonely face, she may seek but ne - ver find.

Fly to me and I'll show you, fly to me take your time. There's a

bird in a tree looking down at me, how I'd love to read her mind.
